| **Price** | $13,995.00 |
| **Sales Price** | $12,495.00 |

## Description

**OVERVIEW**

Contractor Level Dump trailers are built with heavy-duty construction to match the needs of professionals using these trailers day after day. The heavy gauge 3/16? steel floor plating ensures the dump trailer floor will not warp or bend under heavy use. The dual piston undermount cylinders provide absolute stability while dumping. Contractor dump trailers come in both "LP" low profile designs, with the bed tucked down low between the fenders, or the traditional deckover the wheels style to provide a better pile when dumped, and a narrower overall width. Interior strung wiring is standard on Weberlane trailers, to provide long-lasting, trouble-free wiring, whether it's used in the summer time, or the winter time with its adverse conditions of snow, ice, and slush.

**FEATURES**

Spring Axles - EZE Lube Hubs

Rear Double Barn Doors w/Cam Lock & Door Tie-Backs

Electric Brakes

Shielded Roll Tarp w/ Crank and Bungees

White Modular Wheels with C6 Radial Tires
