Description

Snopro trailers incorporate quality, style and performance into every model in the product line. From the rugged-built 101-wide models, to the aerodynamic inline units, Snopro trailers are manufactured to the highest standards in the industry, right here in central Maine. Combining the Snopro signature quality, a variety of trailer models, and a motherload of available options, you can finally own the snowmobile trailer of your dreams.

Hybrid Snow

The all-new HYBRID provides customers with benefits drawn from all of our popular trailer lines. Built on a flat trailer chassis, the all-new Hybrid is a fully-enclosed unit with .030" exterior skin and a rear ramp door. Built with a tapered-nose and front access door, styled after our signature cap design, the Hybrid is aerodynamic, extremely lightweight and as versatile as any other model in our lineup.
