Description

Description

Exmark's stand-on sprayer spreader is the industry's most advanced, most innovative design. This versatile, easy-to-operate, easy-to-manuever machine offers our most advanced lean-to-steer technology and outstanding stability. The sprayer system includes a 20-gallon tank and an agitation system; the seed hopper can hold up to 175 lbs. Adjustable spread and spray widths let you operate in a variety of terrains and conditions.

Features

Innovative Lean-to-Steer Technology

This advanced solution allows the operator to control all motion with one hand.

Intuitive Controls

Everything you need at your fingertips, allowing you to make easy adjustments and maintain total control.

Operator Comfort

Stainless steel operator platform with isolation mounts for a more comfortable ride. Locks up or down for storage.

Agitation System

You can mix chemicals in the tank and keep them in suspension, thanks to our innovative agitation system.

Spacious Hopper

Hopper can hold 175 lbs. An extra 50 lb bag can also be placed in carrier on top of the tank.
