Description

OVERVIEW

The best yards are planted with real memories. That's why the 200 Series lets you spend less time working on your lawn, and more time enjoying it. It's built with more horsepower, increased speed, and a bumper-to-bumper warranty so you'll have all the peace of mind you need to let the good times roll.

FEATURES

Accel Deep™ Mower Deck

Achieve optimal performance and spread your clippings at even faster mowing speeds. Compatible with MulchControl™.

Premium V-Twin Engine

We increased the horsepower from 18.5 to 21.5 on the S240.

Front Bumper

New front bumpers allow operators to ride with confidence.

MowerPlus™ Fuel Gauge

Our new Easy Read Fuel Gauge comes standard on the S240.
