Price	\$11,995.00
Sales Price	\$11,295.00

Description

Contractor Level Dump trailers are built with heavy-duty construction to match the needs of professionals using these trailers day after day. The heavy gauge 3/16" steel floor plating ensures the dump trailer floor will not warp or bend under heavy use. The dual piston undermount cylinders provide absolute stability while dumping. Interior strung wiring is standard on Weberlane trailers, to provide long-lasting, trouble-free wiring, whether it's used in the summer time, or the winter time with its adverse conditions of snow, ice, and slush.
