Description

PURE POWER WITH EASY HANDLING
Tackle winter weather on any surface with two-stage power. The 2X snow thrower is ideal for taking on 12 inches of snow, offering the power, performance and features needed to clear a path and move on to winter fun. Experience the easy-to-handle 2X with a full range of clearing width options -including one perfect for your needs.

TRIGGER-CONTROL POWER STEERING
With just one finger, you can engage the power steering on the 2X models, giving you unmatched control, effortless maneuverability and single-hand operation (524 WE excluded).

HEAVY-DUTY GEAR BOX
2X models feature a cast-aluminum auger gear box for maximum durability. This heavy-duty build protects the auger gears, ensuring the two-stage system will hold up against extreme conditions, winter after winter.

COOL BLUE SKID SHOES
Make handling and maneuvering easy by gliding over surfaces. Won't rust or damage driveways, sidewalks, or garage floors.
